

SILVER DRAGON CREASE PATTERN © 2007 FISHGOTH

THIS IS THE BASIC CREASE PATTERN FOR THE BASE FOR THE 2006 SILVER DRAGON. THE ENDS OF THE FOUR LEGS NEED TO BE FOLDED INTO TUBES - SEE THE SECTION ON 'POINT SPLITTING' IN THE ESSAY/THEORY SECTION FOR ONE METHOD. USE BLACK PAPER (BOTH SIDES) AND DRY-BRUSH WITH SILVER PAINT TO GET THE PEWTER EFFECT.
